

Air Technologies® has the people and the technology to provide unmatched aftermarket service and parts support.

AFTERMARKET SERVICE & *parts* SUPPORT

AIR
TECHNOLOGIES®
Compressed Air Systems
LISTEN. COMMIT. DELIVER.

With industry leading systems and processes, our people help customers maximize their compressed air systems reliability, performance and equipment lifecycle. The mission of **Air Technologies®** is to help customers achieve their mission through a committed, focused and capable team while being guided by the core values of integrity, achievement, investment and balance.

BENEFITS OF AFTERMARKET SERVICES

WIRELESS SERVICE CENTER

The service team at **Air Technologies®** uses the most advanced wireless Internet-based service management and dispatch software available, from **FieldCentrix®**, allowing us to:

- Respond quickly to emergencies
- Measure arrive-on-time performance on every service order
- Keep legible, clear and precise records of all work performed
- Obtain instant access to work status
- Provide real-time electronic diagnostic and problem solving
- Send the most highly-trained service technicians in the region

EXPERT PARTS TEAM

Air Technologies® has a dedicated team of experts to totally satisfy all parts requirements—consultative

support, quotations, order processing and quick delivery.

- No need to call multiple vendors
- Parts and service on all models
- One toll-free number for all parts requirements
- Quick delivery for fast results
- Large inventory

SPARE PARTS AND EQUIPMENT

- Rentals
- Compressors
- Dryers
- Modular piping systems
- Filtration units and elements
- Vacuum systems
- Blowers
- Oil/water separators
